I have been told that Martindale-Hubbell for 1988 has the listings on Posner as in the current one except that the 1988 address listing is 521 Madison Ave.
If that was then the address of the William Morris Agency that would tend to confirm my suspicion that the address he gives is that of his agent if the current address, 515 Madison, is that of Pam Bernstein, who left Morris and set up her own agency. He remained her client.
He used his middle initial in the 1988 M-H but does not in the current one or in his current book.
